## PRODUCT COMMITMENT

### High intensity

Our fragrances are produced in France and Switzerland by the industry acknowledged companies. They consist of dozen of perfume notes and mix in a very high concentration.

### Premium in details

Each glass vessel and wooden part is carefully painted with water-based paints. Lids are double side engraved and gitbox packaging layered with extra soft touch.

### Artisanal approach

Our scents straddle the boundary between niche and mainstream. Each season we create new and layered compositions. Some of them are limited to give the collectible vibe.

### Sustainable & Safe

Our Soy Blend wax is vegan and sustainably produced in EU. Hand pouring along with pure cotton wicks allow stable and clean burn. Laboratory tested. Safe and registered.

OUR

Editor-in-Chief

These candles, they burn super clean. No black smoke residues and the vessel always look beautiful.

**- Instagram account message**

Our signature soy wax blend is carefully selected and sustainably produced to always allow the stable burn without all paraffin side effects .

**EDITION Team**

I love how they quickly fill the room with a lovely scent. You can light up the candle just before the guests arrive and in half an hour you can change the vibe of your room.

**- Retail store customer**

High concentration of perfumes oils with three wicks and the ideal wax formulation allow quick and strong throw. Perfectly efficient.

JASMINE SOLEIL

AVAILABLE AS LARGE CANDLE  
REED DIFFUSER AND ROOM SPRAY

FLOWERS edition in light ivory glass with contrast lettering and black lid complements the minimal aesthetic of bright interiors.

The scent of flowers fills an interior with a natural elegance, instantly uplifting the atmosphere. This fragrance adds a delicate charm, creating a warm and inviting ambiance that feels both vibrant and refined. The subtle notes of blooms like lilies, tuberose, or jasmine bring a soft sophistication, enhancing the room's personality with a hint of nature's beauty. The scent of flowers can transform any space into a serene and fragrant haven, leaving a lasting impression of grace and allure.

**BLUSH BLANC** is light citrusy with white fruits to clear one's mind. Bergamot, Pear, Lilly of the Valley with soft Musk can brighten any day. All is fragile and innocent.

**JASMINE SOLEIL** brings white intoxicating flowers, sunlit memories, joy of life. It's a deep essence of jasmine, neroli and tuberose with musky amber base. A poem written with a sensual bouquet.

BITTER SUITE AVAILABLE AS LARGE CANDLE  
REED DIFFUSER AND ROOM SPRAY

Soft musky notes on exquisite woods were created with the  
intention to envelop the cozy feelings of neutral interiors.

# DISCOVERING THE

## NEW WOODS

WOODS edition is created intentionally to blend perfectly with modern neutral interiors. Soft brown glass and champagne gold rustic letters stand for quiet luxury.

Woody fragrances envelop an interior with a cozy, grounding warmth, reminiscent of forested retreats. The rich notes of cedar, sandalwood, and pine create a comforting ambiance that feels timeless and serene. These scents bring a natural elegance, adding depth and warmth that invites relaxation and lingering comfort.

**BITTER SUITE** is a soft luminous space full of light woods and suede. Open hearted and inviting. Bitter almonds, white musk and the touch of warm vanilla. Quiet refinement.”

**GÈDRE CASHMERE** full of enveloping Indonesian Patchouli with powdery Iris. Serene saffron and smoky cedar play with gentle cashmere. Timeless elegance and warmth. Cosy state of mind.

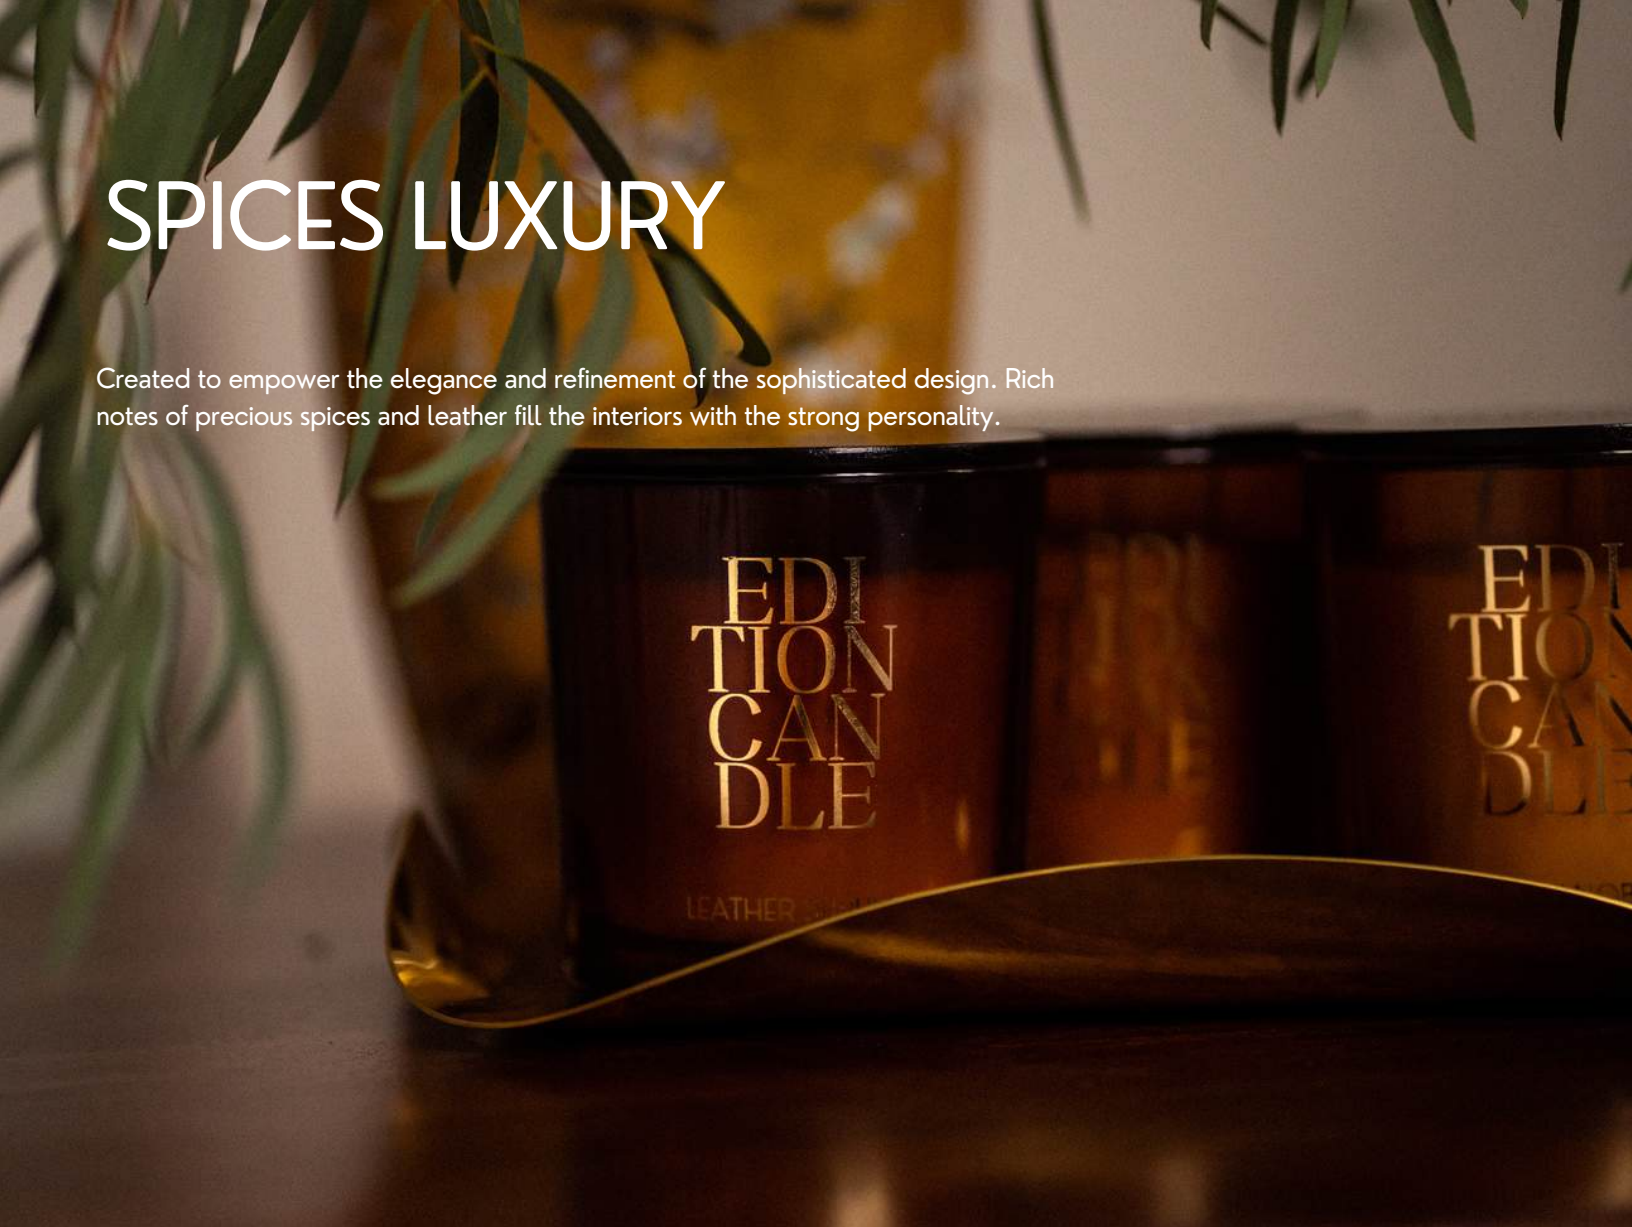

**DUNE LUMIÈRE** is the desert wind, a sweet whisper of vanilla and dried herbs. It wraps around like a comforting embrace of musk and tonka. Sun-kissed dunes and distant white woods. A prelude to pure bliss in a golden sea.

**Natural materials as glass, solid wood, cotton and wool in soft finishes are timeless and sooth the senses.**

# SPICES LUXURY

Created to empower the elegance and refinement of the sophisticated design. Rich notes of precious spices and leather fill the interiors with the strong personality.

Rich, spicy leather fragrances have a way of transforming interiors, adding an air of luxury and sophistication that is both bold and inviting. These scents offer a refined depth, instantly setting a unique and opulent tone within any space.

When introduced into an interior, spicy leather fragrances fill the room with warmth and a sense of timeless elegance. Notes of leather, orris, and clove create an unmistakable richness, reminiscent of high-end lounges and bespoke furnishings. These scents not only evoke the tactile feel of fine leather but also add layers of complexity, making a room feel carefully curated and exclusive. The warmth from spices mixed with leather's depth brings a certain drama and allure, creating an ambiance that is both comforting and intriguingly exotic.

Incorporating rich, spicy leather fragrances into an interior is an effortless way to elevate its style and create a memorable, luxurious experience. These scents add character and distinction, leaving an impression that is as unique as it is sophisticated.

**WHISKY NOBILE AVAILABLE AS LARGE CANDLE  
REED DIFFUSER AND ROOM SPRAY**

Deep amber glass highlights the uniqueness of the gold shiny letters. Wooden engraved lid in satin black evokes the feeling of craft and refinement.

**WHISKY NOBILE** brings a distinguished charm. Spicy and appealing. Layered with clove, patchouli, sandalwood and cedar. Warmly melting with amber and leather accords. At the same time strong yet with a hidden tender note of a rose.

**LEATHER SUBLIME** is sophisticated and seductive. A space full of silky violet and powdery orris. Dry leathery base brings rich elegance. Fresh fruity and lime top notes can be deceiving. This is a strong personality with passionate heart.

**CUIR DE CLUB** dives into intriguing dark mood. Rosemary with pine needles on an orange peel. Unique phenolic notes with a Cedar from Atlas Mountains. Expect the unexpected. Immerse yourself in the blend of opulent woods, resin and leather. Powerful statement.

# 3 WAYS TO BRIGHTEN UP WITH FRUITS

## In Full Bloom

The wonderful explosion of red fruits and flowers. Crisp rhubarb with blackcurrant leaves and sweet raspberry highlight the hidden note. Probably the most beautiful scent of a rose garden. The summer euphoria.

## Cassis Rosé

Distinct appeal of tangy blackcurrants and tender rose. Layered with delicate freesia on sandalwood base. The most pleasant smell of a summer garden's treats. Cool fruitiness with precious flowers.

## Mango Rouge

Juicy red berries on an exotic island. The pleasant energy of mango. Surprising contrast of sweet pine and tart cranberry. Unique and rich intensive fruits. For these lively moments.

## Serve them all

Fruit fragrances infuse interiors with the lively, bright energy of summer, making spaces feel vibrant and refreshing. The sweet and zesty notes of citrus, berries, and tropical fruits add a playful warmth, reminiscent of sunlit days and open skies. These scents breathe life into a room, invigorating the atmosphere with a sense of joy and relaxation. Each hint of fruit captures the essence of summer's bounty, leaving an uplifting, rejuvenating aura long after the season has passed. You can mix them together as they hold similar rosy notes.

FRUITS edition is created to bring this sweet mix of fragrance, color and positive emotions. Dedicated to interiors in line with the trend of dopamine décor.

**IN FULL BLOOM AVAILABLE AS  
LARGE CANDLE REED DIFFUSER  
AND ROOM SPRAY**

Herbal fragrances bring a fresh, natural energy to interiors, evoking the outdoors and revitalizing the ambiance of any room. With notes inspired by herbs like rosemary, mint, and basil, these scents create an environment that feels both invigorating and grounding.

When herbal fragrances fill a space, they add an unmistakable sense of liveliness and clarity. Their crisp, green notes lend interiors an uplifting atmosphere that encourages focus and relaxation alike. Scents of herbs, whether sharp and zesty or soft and earthy, can evoke memories of lush gardens and open fields, making the room feel rejuvenated and alive. This blend of freshness and natural energy enlivens interiors, offering an escape into nature's tranquility while promoting a sense of well-being.

## HERBS ENERGY

Fragrances with a vibrant green color created as a treasure item or a pop of color in a refined modern interior.

**GINGER FIZZ** is a spicy, sparkling composition. A stimulating and positive scent of ginger, pepper blossoms and other spices with a warm base of sandalwood and white musk. Green refreshment.

**SAVAGE GARDEN** as a memory of a hidden garden only familiar to you. The warm air filled with the aroma of nettle and red currant. Essentially green and sweet.

**BASIL VERITUM** embodies the feeling of the shadow, cool thick walls of a Tuscany villa, Grapefruit, patchouli and vetiver. Away from the direct sun. Relaxed, slow time. Tranquil herbal sanctuary

- It is very important to use all the sticks that come with the fragrance
- For medium-sized rooms, it is better to place the diffuser in the center of the room so that when people pass by, the air moves and the fragrance circulates
- For larger rooms, it is better to place two diffusers on two opposite sides of the room where you want to release the fragrance

### PERFUMED ROOM SPRAY 100 ML

- High concentration of fragrance composition at the level of Eau de Parfum
- Intensive French fragrance compositions based on natural oils
- A handy packaging for quick room refreshment
- The spray is NOT SUITABLE for contact with the skin as a body perfume.
- The spray CANNOT BE USED directly on textiles due to the high content of oils and the risk of discolouration

- When using for the first time, it is necessary to let the sticks soak in the fragrance for at least 1 hour before rotating them
- To adjust the intensity of the fragrance, rotate all or just some of the sticks once or several times a day
- The duration of the fragrance depends on the size of the room in which it is placed, the temperature, exposure to direct sunlight and air currents that can accelerate its evaporation

**ATTENTION:** Do not place the diffuser on polished or painted surfaces, on electrical appliances or near or on heat sources. Naturally coloured sticks may slightly colour the liquid.
