THE TYPHOON® STORY

At Typhoon®, we put the customer at the heart of everything we do to create coordinated ranges tailored to individual design tastes and lifestyles. Whether it be bold and glamorous, muted and minimalist or traditionally rustic, we have collections to suit all tastes.

Since 1991 we have been creating stylish collections to suit most kitchen environments using the latest trends in homewares. We create beautiful ranges that focus on fashion as well as form, so our consumers know they'll have great looking products that will last.

EDEN

An elegant twist on a modern classic, the Eden Collection boasts a contemporary apothecary style with neutral hues and contrasting dark-toned bamboo. The range is on-trend and appeals to storage lovers who require an elevated look with high-quality features.

Made from durable carbon steel, Eden provides the perfect storage solution for kitchen environments that are both attractive and easy to maintain. Each item within the range is complete with innovative and translucent, reusable cling labels, allowing for complete personalisation and organisation.

Cleverly designed, the 3 various sized canisters are finished with a silicone seal and a handy acrylic viewing window, allowing you to see the ingredients within and for easy replenishing. Whether storing rice or flour, spices to sea salt, there is a label for most occasions!
